## Education

**Texas A&M University** – *Junior*

**Class of 2024**

*B.S in Computer Science with a Minor in Statistics*

**GPA: 3.8**

- Relevant Coursework: Design Analysis of Algorithms, Linear Modeling, Linear Algebra, Introduction to Computer Systems, Programming Languages, Artificial Intelligence, Database Systems, Data Structures and Algorithms, Introduction to Statistics II & II, Computer Organizations
- **Python, C++, Java, Git, HTML, CSS, JavaScript, AWS, Scheme, HDL**

## Experience & Projects

**PricewaterhouseCoopers (PwC)** – *Houston, Texas*

May 2022 – August 2022

*Data and Technology Start Intern*

- Leveraged Alteryx, PowerBi, and Excel to cleanse and automate 250,000+ points of data
- Utilized non-profit sponsorship information over 14 years to analyze trends, gain patterns/insights and visualize findings in order to increase donor retention and frequency
- Worked with a group of 5 to present findings, analysis, and recommendations to non-profit leadership

**Course Monitor Script Project** – *Katy, Texas*

May 2022 – August 2022

*Creator*

- Hosted Python script and bot that allows students to monitor seats for future course registration by sending emails using an email API system
- Utilized web scraping techniques to pull course information which lowered previous seat opening notification from 30 minutes to 3 seconds
- Leveraged Git for version controlling and development and hosted locally on an Arduino.

**Valero Minority Engineering Summit** – *San Antonio, Texas*

May 2021

*Participant*

- Selected from highly competitive applicant pool to attend an immersion into a study of refinery operations on a global and direct-to-market viewpoint
- Networked with professional executives and gained insight into the oil and gas refinery industry through an engineering perspective.

## Leadership & Involvement

**Memorial Student Center Freshmen in Service and Hosting (MSC FISH)**

April 2022 - Present

*Executive Director of Development*

- Managed team of 5 Assistant Directors and 25 freshmen to host an event with over 1750 people bringing in \$20,000+ for local charities in the community
- Led weekly meetings, worked with local organizations and managed budgets to facilitate a smooth workflow

*Assistant Director*

August 2020 – April 2021

- Facilitated, and created charge of creating relationships with past and new donors.
- Created a new sponsorship packet to increase public image and professionalism amongst the community

**Boy Scouts of America**

2008 – Present

*Eagle Scout*

- Contributed over 450 hours of service to community through miscellaneous service projects such as Renovation of Cinco Ranch HS Tennis Courts and the Katy Math and Science Stem Camp
- Served as Junior Assistant Scout Master, Senior Patrol Leader, Assistant Senior Patrol Leader, Patrol Leader, Treasurer, Bugler, Librarian and Order of the Arrow Representative and attended National Youth Leadership Training
